

McKinley College offers most courses during eight-week terms during each 16 week semester. In some cases, courses are offered on a shorter mini-term of 4 weeks within the term and semester. Courses are selected for each term based on overall student need for specific courses to meet prerequisites and degree requirements. Please use the following 2020 term schedule to help you plan your degree path through 2020. In addition, academic advisors are available to assist you through your degree planning process. GE102 is an open enrollment course.

McKinley College reserves the right to change this schedule as it deems necessary.
